We have immediately available the following second hand machines:

Our Ref.: POS.0005

0005 REF.001

E 7/5 RIETER COMBERS, Year 1987, 08 Combing Heads, Working width 12" (305 mm), Centralized waste collection, Exit of the air into the floor (to the bottom), Voltage 380.3.50 Hz, Exit Cans 24" x 45" (600 X 1200 mm), Automatic can changer (pneumatic), Superior Comb R18 Unicomb, Half combs Mod. 115 Type Nitto Unicomb, Berckol Cots

Existence: 3 machines

0005 REF.002

E 7/6 RIETER COMBER, Year 1990, 08 Combing Heads, Working width 12" (305 mm), Centralized waste collection, Exit of the air into the floor (to the bottom), Voltage 380.3.50 Hz, Exit Cans 24" x 45" (600 X 1200 mm), Automatic can changer (pneumatic), Meter counter Rieter AZA1, Superior Comb R18 Unicomb, Half combs Mod. 115 Type Nitto Unicomb, Berkol Cots

Existence: 1 machine

0005 REF.003

E 5/3 SLIVER LAP, Year 1987, 24 couplings in use (creel for maximum of 32 couplings), Electronic Control of Sliver in feeding, 02 Combing heads, Working width 12" (305 mm), Automatic feeding of the tubes, Automatic Exit of the lap, Lap in exit 305 mm, **automatic transport system of the full rolls from sliver lap to the combers**

Existence: 1 machine

Delivery : Immediate
Location : Europe
